

Saturday Night BALLBAG 2025
THE ERAS TOUR

HOUSE RULES

- ◆ Takes place on Saturday night. 9 balls in a bag.
- ◆ First nomination at discretion of committee. From then on, you nominate the next ballbagger from the opposing team. Everyone draws one ball. But - with 9 balls - one player will draw twice.

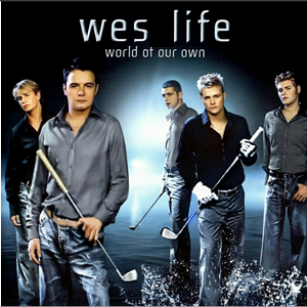

As usual, there is a drink* attached to each ball. This year, each ball also comes with a “flex”

- ◆ which you can use to help you on the course during Sunday’s play.
- ◆ Each flex may only be deployed on a single hole so choose carefully.

If you are on the team currently losing on Saturday night, you have the option to put your ball back in and redraw. May only be used once per losing team player.

**if unavailable, drinks may be substituted at the discretion of the SNB committee.*
